

The following is a list of contributors who have both collected and provided us with data for the work published in Fritze & Puechmaille (2018, Mammal Review). We deeply thank these people without whom this work would simply not have been possible. We hope to have not forgotten anybody who contributed and if we did so, we sincerely apologise and will correct this immediately. Please, e-mail us at *s (dot) puechmaille (at) gmail (dot) com* providing your full name, the name of the site(s) you have contributed to and the date(s); we will then update our database and the list below.
